TOWN OF LOS GATOS PENDING PLANNING PROJECTS

Los Gatos, CA – In an effort to increase the transparency of Town government, the Town of Los Gatos website now features a Pending Planning Project List on the Planning Division (Community Development Department) webpage: <http://www.losgatosca.gov/1912/Pending-Planning-Projects>. The public may search pending planning applications by street address by clicking on the first letter of the street name.

The information for each project includes a brief description, project planner, date filed, and status. Some projects are in the final review stages and their tentative hearing dates are noted. Some projects also have images/plans for public review which can save the public a visit to Town Hall. Staff is working with applicants to obtain digital plans for all projects and as these materials become available, they will be added to this page. As staff receives feedback on this new feature, additional improvements are expected to be incorporated over time.
